REPLAY

WELCOME

REVERB marks the 22nd Annual Design and Industry Student Design Exhibition at San Francisco State University. The exhibit marks a milestone for students of Design and Industry at the University. Students in the exhibits class have created a beautiful and functional environment perfectly suited to display their own innovative work and that of their peers.

Please celebrate with us the variety of exceptional student work in various disciplines of design, including product design and development, visual communications, digital media, manufacturing, electronics and research and development.

DAI MISSION STATEMENT

The Design and Industry Department offers a strong well-rounded, interdisciplinary education to a diverse population with an emphasis in Design and Technology, Visual Communication, Industrial Technology and Product Design and Development. Our program prepares students to make valuable contributions to their fields through communication, innovation, function, management and production. We strive for a global approach towards design that includes social, ethical and environmental responsibility.

A vintage photograph of four people outdoors near a pond. The image has a warm, slightly faded color palette. Four individuals are present: a person on the left in a brown suit, a person in the center-left wearing a white shirt, a striped tie, and a brown vest, a person in the center-right wearing a patterned short-sleeved shirt and tan pants, and a person on the right in a yellow dress. Their faces are obscured by four white, oval-shaped labels with a wavy, ripple-like border. Each label contains a word in a different color: 'RESPOND' in red, 'REFLEX' in purple, 'REMODEL' in green, and 'RELAX' in blue. The background shows a calm body of water reflecting the surrounding trees and foliage.

A photograph of two women in black one-piece swimsuits sitting on a light blue towel on a green lawn. Their faces are obscured by a large, dense, white scribble. The word "RECREATE" is written in bold, purple, sans-serif capital letters across the center of the image, partially overlapping the scribble. In the background, there is a swimming pool, a fence, and some trees.
